Notes of Survey.

Paomai — Lanai

According to Notes of Survey

Survey by J.F. Brown & M.D. Monserrat

Course BEARINGS.	DISTANCES. Chains.	DISTANCES. Feet	REMARKS.	From BEARINGS.	DISTANCES. Chains.	DISTANCES. Feet	REMARKS.
			Commencing at a cross cut in a rock at a rocky point called Lae Wakia, thence along	22. N. 33° 59' W.		2310	along Mac. to rock marked X
				24. N. 17° 12' W.		2334	" " to centre of triangle formed by three stones set in the ground
1. S. 33° 45' W.		4452	along Mahana to a cross cut on a stone thence				
2. S. 9° 4' E.		5279	" " to a triangle - - - - "	25. N. 11° 57' W.		14263	" " to a post wood post set in a cairn
3. S. 27° 24' E.		3830	" " to a cross - - - - at a place called Halele thence	26. N. 86° 18' W.		4674	" " (half mile more plain called Pakaha-loa) to corner of stone wall of Nanahoa
			" " following up the East top of the point	27. S. 77° 18' W.		1776	" "
			to a post wood post which bears from last point	28. N. 89° 9' W.		4737	" " to plain called Halelele thence
4. S. 12° 51' E.		5995	(at a plain called Pau Kawaula) thence	29. N. 53° 27' E.		10966	" Sea thence
5.			Still along Mahana up top of point to a point on East bank. The bearings from the preceding four being as follows	30. S. 76° 25' E.		8258	" "
				31. S. 88° 15' E.		8889	" " to point of commencement
							Area 9078 22/100 Acres
			1. S. 10° 1' W. true 1076 feet				
			2. S. 32° 6' E. " 2023 "				
			3. S. 78° 29' E. " 1928 "				
			4. S. 62° 11' E. " 1578 "				
			5. S. 14° 3' E. " 1138 " to above meeting point				
6. S. 37° 17' W.		1447	along Mahana to a post wood post at head of Paomai gulch and on edge of a branch of the Maunalei gulch thence				
7. S. 25° 53' E.		3148	along Mahana to three stones set in a triangle on East edge of branch of Maunalei gulch				
8. S. 49° 14' E.		8425	along Mahana to a post wood post on ridge that comes down from the Central mountain range (said point being on North edge of Valley that contains the water hole of Kaahiki on				
9. N. 52° 37' W.		6742.5	along Kamoku down down mauka and ridge and down valley onto a small pinnacle and down hill ridge to a post wood post at edge of lama				
10. S. 44° 37' W.		1316.5	along Kamoku to a cross cut on a stone				
11. S. 74° 8' W.		6258	" " passing to the North of a couple of stake clumps to two triangular pits (at an old house site)				
12. S. 74° 51' W.		5045	along Kamoku to a cross cut on a stone at head of gulch				
13. N. 86° 6' W.		1388	" " down South side of gulch				
14. S. 33° 45' W.		1255	" " to a cross cut on a stone				
15. S. 74° 9' W.		920	" "				
16. N. 55° 12 W		898	" " down gulch to a post wood post at Cattle Watt of a Cattle Clump thence				
17. N. 67° 28' E.		1478	along Mac. to a rock marked T				
18. N. 56° 34' E.		1574	" " to a post wood post set in middle of triangle formed by three stones				
19. N. 63° 22' E.		1064.9	" " to a high peak marked Δ				
20. N. 87° 20' W.		1622	" " to a post wood post at place called Kaheleni from which pt. Pau Mana Signal bears S 36° 57' E true thence				
21. N. 59° 42' W		13846	along line of Shelter passing to a peak marked A				
22. N. 54° 19' W		3649	along Mac. to oval wood post on small hill from which point Signal of hill Kamapuu bears S. 86° 38' W. true
